MID-WAY REGIONAL AIRPORT JOINT AIRPORT BOARD MINUTES

A regular meeting of the Mid-Way Regional Airport Joint Airport Board was held on Thursday, May 12, 2016, at 4:00 p.m., in the Rex Odom Conference Room, at Mid-Way Regional Airport, 131 Airport Dr., Midlothian, Texas.

Members Present: Randall Porche, Vice Chairman
Ray Barksdale, Secretary
David Box
Kent McGuire

Members Absent: Kyle Ballard, Chairman
George Kent
Dennis Lauterbach Jr.

Others Present: Judy Demoney, Airport Manager

REGULAR AGENDA

Opening: Vice Chairman Randall Porche called the meeting to order, and gave the invocation.

Board Announcements: Ray Barksdale suggested that Judy Demoney check out Midlothian's Comprehensive Plan because it looked as though Rex Odom Rd would be a thoroughfare.

CONSENT AGENDA:

- Minutes of Meeting held April 14, 2016
- Financial Report
- Airport Operation's Report
- FBO Report – There was no report to review.

David Box moved to approve the Consent Agenda with the removal of the Manager's Report over to the Regular Agenda; second by Kent McGuire. All Ayes.

REGULAR AGENDA:

Manager's Report: Randall Porsche asked Judy Demoney if a meeting was ever set up between Airport personnel and emergency responders to discuss procedures from the NTSB on how to handle future aircraft accidents. Judy said that the only person that responded to her email was the City of Waxahachie Police Chief. The Board asked if they ever found out what caused the accident. Judy Demoney said that only a preliminary report has come out based upon witness statements, but until the NTSB completes their investigation and submits a final report we won't know what caused the accident.

Ray Barksdale moved to approve the Manager's Report; second by David Box. All Ayes.

Airborne Imaging Construction Project Update: There were no updates for the Airborne Imaging Construction Project.

Vacant Airport Office Space: Judy Demoney said that there is an economic development opportunity that we have been working on. The Economic Development Subcommittee met this week for discussion. One of the principles in that opportunity has leased the vacant office space upstairs plus half of the space that has to be finished out. He will not completely finish out the space because it will be used for storage. He will be putting up a wall and adding some outlets. The other half will remain storage space for the Airport, so we will have to add another door and light switch. Judy said that it is a total of 1,299 square feet that he will be leasing on a two year lease at \$10 a square foot with two two-year options. He will be paying for two years in advance.

David Box moved to approve accepting the plan to rent 1,299 square feet of office space upstairs for two years at \$10 per square foot with two two-year options effective June 1, 2016; second by Kent McGuire. All Ayes.

FY 2016-2017 Budget: Judy Demoney said that in front of the four big box hangars there is a drain with grates over it. There have been issues over the years where the weight of larger planes have been causing the grates to bend. Judy said that she spoke to Doug with the Nay Company because they were the ones that originally put the drains in several years ago. He said that since he did not work there at that time, so he was not sure why the drain was done that way. Doug said that the best thing to do would be to cut new grates to go in crosswise rather than lengthwise at 3/8 inch thickness. Since the work was out of warranty long ago the cost to resolve the issue is \$15,000 which is at their cost. RAMP will reimburse half. Judy spoke with Michael Scott, City of Waxahachie, and he said that the funds could be taken out of the fund balance account. This would need to be approved by the City Council first. Due to the circumstances this project will need to be done this fiscal year.

Judy Demoney told the Board that three security cameras will be installed on the outside of the terminal this budget year, and the cost for that will be \$1,700. These cameras will be tied into the camera system that we currently have for the runway.

Kent McGuire moved to approve the FY 2016-2017 budget as presented; second by Ray Barksdale. All Ayes.

Public Comments: There were no public comments.

Adjournment: There being no further business,

David Box moved to adjourn; second by Kent McGuire. All Ayes.

Respectfully submitted, Tammy Bowen, Airport Operations

City of Waxahachie, TX

MANAGER'S REPORT JUNE, 2016

We began the month celebrating the 20th anniversary of the Pancake Breakfast on June 4th. The weather was overcast which kept the fly-in attendance down but we still served pancakes to over 900 people. A full report will be distributed at the July 14th Board Meeting.

We experienced a lightning strike during a storm on July 13th which caused a fire in our illuminated entry sign. A passing motorist saw the fire and called 911. The Midlothian Fire Department came and extinguished it. Damage incurred - \$1500.

Installation of the video surveillance cameras around the terminal has been completed. Signs have been posted by the front and back doors, and tenants have been notified they are in use.

On June 9th we hosted the Waxahachie Employee Academy. Power point presentations were made by the Airport, Economic Development Department and the Downtown Main Street Program.

June FBO REPORT – July 6, 2016,

Please Note fuel totals will be from the month of MAY.

FUEL SALES: (Totals for May 2016)

AvGas (Truck): 3,841 gallons

AvGas (Self Serve): 1,466 gallons

Jet-A: 7329 gallons

Jet-A Government: 0

TOTAL GALLONS OF FUEL FOR March 2016: 12,624 gallons.

The month of May started off with the usual rain/storms that we expect with spring time in Texas. Even with the weather, the fuel sales continued to climb as we move out of the late winter/early spring. June started off wet and continued with somewhat cooler and wetter than usual. Business as well as personnel flying in on the increase. The Trojan Phlyers are heavy into the airshow season with practice and travel to the shows. Airborne has seen an increase in flying as well. Our corporate customers continue to increase as well as Hertz rentals. Greg and his crew continue to be tops in the Metroplex for rentals. They have definitely put JWY on the map.
