

Enjoy the Parks Safely

During the COVID-19 Crisis

During the COVID-19 crisis, we remind citizens that Midlothian City Parks are open for individual use as long as users observe guidelines for distancing six feet from others and do not gather in groups of more than 10 people. Organized athletic team use continues to be suspended at this time.

These temporary measures will help prevent disease spread in our community. Please understand that amid this pandemic, the safety of our citizens is our paramount concern and guides all that we do. We appreciate your cooperation.
