4.6013 WIND DEVICES

Wind devices may be displayed only in non-residential zoning districts following issuance of a sign permit subject to the following:

A permit may be issued for not more than two (2) wind devices to be located on a property during a calendar year;

Wind Device Permits shall be issued for the current calendar year during which the permit is issued regardless of date the permit is issued;

Wind devices may be displayed on a property not more than a total of 90 days during a calendar year;

Wind devices shall not be located on or over any public street, alley or highway maintained or within any required visibility triangle so as to not obstruct the view of drivers or otherwise isolate vision; and

Wind devices shall be non-illuminated and non-electric.

I hereby certify that I have read the rules and regulations for a temporary advertising device and that all facts stated in the application are true and correct.

Signature of Applicant: _____ Date _____
Approved: _____ Date: _____

Failure to comply with Zoning Ordinance 4.6013 Wind Devices may result in citations.
